

ANTI-BRIBERY AND ANTI-CORRUPTION POLICY ("the Policy")

Malaysian Green Technology and Climate Change Corporation ("MGTC") and its subsidiaries support the national anti-bribery and corruption agenda by adopting high standards of integrity and good governance, emphasising integrity and ethics in its conduct at all levels. Any form of bribery and corruption are strictly prohibited.

In principle, MGTC is committed to:

- adopts a zero-tolerance approach to any form of corruption;
- complies with all applicable anti-bribery and corruption laws, rules and regulations by instilling integrity, transparency and accountability in all aspects;
- undertakes the control measures to prevent bribery and corruption at all levels;
- encourages disclosure of bribery and corruption within MGTC without fear of reprisal and in good faith; and
- ensures its personnel and the stakeholders understand and comply with this Policy.

The implementation of the Policy is mandatory, and shall applies to all MGTC Employees, Directors and Business Associates, which includes but is not limited to, the contractors, consultants, vendors, suppliers and third parties acting on behalf of MGTC.

Any violation of this Policy may result in appropriate action being taken by MGTC in accordance with its policies, procedures, directives and guidelines and/or the initiation of legal proceedings by MGTC or the governing body.
